## Discover Your Way!

Welcome to the  
**Maastricht Business Days Autumn**

30<sup>th</sup> Nov. - 2<sup>nd</sup> Dec. 2022  
at Buitenplaats Vaeshartelt Maastricht

## Welcome to the MBDs Autumn Edition 2022

Dear Participant,

On behalf of the Maastricht Business Days committee, I am very pleased to welcome you to the 4th edition of the Maastricht Business Days Autumn, one of the largest recruitment events in the entire south of the Netherlands. With this year's motto "Discover Your Way!" we offer a unique platform for students and companies to interact and to get to know each other during a wide range of activities such as workshops, interviews, presentations, recruitment dinners and a company fair.

First, I would like to thank all participating companies. On the one hand, we are proud to welcome once again firms that are already long-standing partners of the MBDs, and Maastricht University and we can therefore already consider them an integral part of the event. At the same time, we also have many new exciting enterprises on board this year with whom we hope this will be the start of a long-term and successful collaboration. Take a look at this brochure and convince yourself of the quality and diversity of this year's 53 participating companies.

Next, I would also like to thank the participating students who registered for this event. It shows your willingness and eagerness to take a step forward, get to know employers and find out what your future might look like. Take the event as a chance to get inspired by the unlimited possibilities that lie beyond your academic career.

Lastly, I would like to thank everyone who made this event possible. Especially, I would like to thank my fellow committee members, Lena Spillner, Olivia Gedat, Dana van der Heyden, Charlotte Zetsche and Nikolas Müller, and also the Vice-President and Career Activities Commissioner from SCOPE, Jan Offermanns, who have worked incredibly hard to uphold the great reputation of the event!

In case you have any remaining questions please do not hesitate to contact any of the committee members, company buddies or day crew members as we are always willing to help.

Finally, I wish all participants an interesting, enriching, and positive experience at this year's Maastricht Business Days Autumn edition – get inspired and discover your way!

Yours sincerely,

Ecka-Marisa Günther

## Word of Welcome from SCOPE

**Dear MBD Participant,**

On behalf of the SCOPE Maastricht Board 2022-23, it is my pleasure to welcome you to the Maastricht Business Days Autumn Edition 2022.

First, I would like to thank all participating business partners. It is an honour to have such a diverse portfolio of businesses at our event, which makes the MBDs unique. I hope we meet your expectations regarding this event, and we look forward to seeing you at successive MBD editions.

Second, I congratulate all students who signed up for the MBDs. This event is an outstanding opportunity to initiate your career paths. Take this chance and use this platform to go a step ahead in your professional career by getting in touch with prestigious and international companies and, most importantly, Discover Your Way!

Finally, I would like to thank everyone who was involved in realising this incredible event. The MBDs would not take place without you, and I am very grateful for the dedicated team that performed excellent work to make this event happen. My special thanks go to the organising committee. Thank you, Ecka-Marisa Günther, Lena Spillner, Nikolas Müller, Charlotte Zetsche, Olivia Isabella Gedat, and Dana van der Heyden, we appreciate every member of this team for showing relentless effort for this project.

Enjoy these three days full of excitement and Discover Your Way! at the Maastricht Business Days Autumn Edition 2022!

Please do not hesitate to contact any of the board members, committee members, business partners, or team members for any remaining questions.

Yours sincerely,

On behalf of the  
SCOPE Maastricht Board 2022-23

**Jan Offermanns**  
Vice-President &  
Career Activities Commissioner 2022-23

## Welcome from the Organizing Committee

We are more than happy to welcome you to the **Maastricht Business Days Autumn Edition 2022**. During the last month, we worked hard and learned a lot while organizing this precious event representing Maastricht University School of Business and Economics. Our aim is that students and companies connect with each other in a pleasant atmosphere. We hope that every participant can get the chance to discover their unique way and kick-start their career within the MBDs.

In case of any questions, feel free to directly reach out.

We hope you have a great experience and enjoy your time at Kasteel Vaeshartelt!

## About the MBDs

In 1996, the **Maastricht Business Days (MBDs)** were initiated and have since grown into a bi-annual recruitment event. The MBDs are known as the largest and most prestigious recruitment event in the southern Netherlands, organized by and for students of Maastricht University School of Business and Economics. The recruitment event provides a unique opportunity for both students and companies to get to know each other in an international and professional setting. Various program options such as workshops, student chats, and a variety of informal activities enable both sides to get acquainted and discover mutual interests. Due to the pandemic, last year's autumn edition of the MBDs was organized as an online event. Therefore, we are happily looking forward to meet you in person again.

Our slogan „**Discover Your Way!**“ can be seen as a chance for both students and companies to discover future career opportunities.

## SBE Initiatives

### Internship Office

SBE encourages Bachelor and Master's students to do internships within the Netherlands or around the globe. As an intern, you gain grounded and practical experience of what your studies might look like in a work environment which enhances your studies as well as it increases your employability and professional network. Many graduates often end up working at the organisation where they intern.

#### Internship possibilities for Bachelor students

- Curricular Internship (6-14 weeks)
- Extracurricular Internship (8-26 weeks)
- Mandatory Internship in BSc IB/EBE Emerging Market Specialization (16-26 weeks)
- 26 ECTS internship for Economics and Management Information students (instead of semester abroad)
- NEW! Are you a Business Engineering student? In your third year, last semester, you have to do a mandatory Bachelor Thesis Project (BTP), which is a project in collaboration with a company/educational institution.

#### Internship possibilities for Master's students

- Extracurricular Internships (8-26 weeks)
- Thesis-Internship Programme (TIP)

Want to know more? Please refer to [SBE's Student Intranet \(MySBE Intranet\)](#).

How to find an internship? The SBE Internship Office has an extensive database of internship opportunities and is on hand for guidance and counselling. [Search on the internship database](#) for suitable posts.

## General Information

### Be Active

The recruiters are here to meet and get to know you! Do not be afraid to actively contact them and ask anything you want to know about their company, recruitment process, vacancies, company culture or anything you are eager to find out.

### Registration

Check in on the registration each day you are participating. We will scan your ticket and you will get a nametag which you are expected to wear during the event.

### Cell Phones

Please turn your cell phones off during all activities.

### Student Chats and other Activities

Be on time and prepare for the student chats and all other activities. Check in at least 30 minutes before your activities start.

### Before leaving

Please return your nametag and unused drink tokens at the registration before you leave the event.

### Recruitment Dinners

Please note that the recruitment dinners take place in the city centre of Maastricht and not in Kasteel Vaeshartelt. The location is indicated on your personal schedule.

### We are here to help

The organizing committee and the SCOPE board are present the entire day to help out if there are any problems or questions. Also, the day crew and company buddies, recognizable through their special badges, support during the event. Do not hesitate to contact us for feedback, questions or remarks – we are pleasant to help you out.

CGI is een van 's werelds grootste IT-bedrijven. Onze mensen houden Nederland draaiende. Overheidsinstellingen, banken, infrastructurele organisaties en productiebedrijven zijn klanten van ons. We werken aan projecten die het alledaagse leven van miljoenen mensen raken.

## Kickstart voor je carrière

Bij CGI krijg je volop de mogelijkheid je talenten te ontplooiën. Vanaf het moment dat je als young professional bij CGI komt werken, maak je deel uit van een hechte community van gepassioneerde professionals. Je speelt direct een vitale rol in de diensten die we leveren aan onze klanten. Van gezondheidszorg tot ruimtevaart: jij draagt bij aan de IT-services van 's werelds meest boeiende sectoren.

### Wat bieden we jou

Of je nu een startende of ervaren IT-professional bent, CGI biedt jou mogelijkheden om jezelf te ontwikkelen en door te groeien. Onze kleine, zelfsturende teams houden je geïnspireerd en helpen je om wat je goed doet, nóg beter te doen. Met meer dan 80.000 experts wereldwijd vind je bij ons een enorme bron aan kennis, ervaring en ondersteuning waar je op terug kunt vallen.

## Samen werken we aan diversiteit

Bij CGI weten we dat diversiteit onmisbaar is. Daarom streven we op de werkvloer naar een inclusieve cultuur waarin er plek is voor iedereen. Wij streven naar inclusiviteit op de werkvloer, omdat wij ervan overtuigd zijn dat verschil in achtergrond – bijvoorbeeld in gender, etniciteit of leeftijd - meer en betere ideeën, perspectieven en ervaringen oplevert. Bij ons is iedereen van harte welkom.

## Teamwork

De kracht van CGI zit in het uitstekende teamwork. Dat is altijd het fundament geweest van onze projecten. Samen successen boeken door het maximale uit elkaar te halen. Klinkt vanzelfsprekend, maar dat is het bij veel bedrijven niet. Technologie is een van de ingrediënten van ons succes, maar ons echte geheim zijn al onze mensen die iedere dag weer impact maken. Bij CGI ben je vanzelfsprekend een specialist in je vakgebied én wordt je door de klant en je collega's gezien als betrouwbare adviseur. Dat zegt genoeg!"

You can manage projects but not people. Leading is a completely different task: it means making sure that every single employee can grow beyond themselves. That's why leadership means trusting and supporting a person in their entirety – their talents and their personality. It sounds forward thinking – and that's exactly what it is. In our case however, this has been true for over 75 years. Experience the difference.

# RBB | Economics

<b>Company Name</b>	RBB Economics
<b>Company Description</b>	Combining high quality economic analysis with a wealth of expertise, we are able to take on the most complex competition law assignments. Our extensive team of economists and econometricians is committed, experienced and highly skilled. Over the years, we have been involved in hundreds of the most high-profile competition cases around the world. RBB is a specialised consultancy, focusing solely on competition law matters. We recognise that every case is unique, and we are responsive in our approach, tailoring the analysis to address the specific issues of each case.
<b>Other Locations</b>	London, Brussels, The Hague, Johannesburg, Melbourne, Madrid, Stockholm, Paris, Düsseldorf
<b>Website</b>	<a href="https://www.rbbecon.com/">https://www.rbbecon.com/</a>

## RBB Economics offers career opportunities for entry level economists

### Who are we?

RBB Economics is an independent economics consultancy specialising in competition policy. We are one of the largest competition economics practices in the world, with offices in London, Brussels, The Hague, Johannesburg, Melbourne, Madrid, Stockholm, Paris, Düsseldorf and Helsinki. Our work concerns the behaviour of firms with market power, and covers issues such as mergers, vertical agreements, joint ventures, price setting and the abuse of dominant positions.

We work in dedicated, multi-national teams which combine the experience and expertise relevant to each case. This enables us to respond to our clients' needs in a focused and flexible manner. We offer a hands-on service, supporting and working in partnership with our clients and their legal advisers.

### Our working environment

The work at RBB is stimulating, challenging, demanding and rewarding. We give our staff the opportunities they need to flourish professionally, including early responsibility for our work product and to engage directly with clients and their legal advisors as well as with competition authorities.

However, we always offer our staff support, guidance and career progression advice from more experienced team members.

RBB is meritocratic, not hierarchical and offers a supportive and highly sociable working environment that adds greatly to the enjoyment of working here.

### Our clients

RBB have built up strong relationships with clients from all areas of industry and commerce as well as with all of the major law firms specialising in competition law. Over the years we have been involved in hundreds of the most high-profile competition cases around the world.

Our expertise is wide ranging, from industries such as energy, mining and steel, to the manufacturing of sophisticated medical equipment, financial services and sports rights.

### Our requirements

We're looking for exceptional, highly motivated economists to join our multi-national team. If you have outstanding academic credentials and flourish in the face of complex, intellectually challenging issues then we would love to hear from you.

Qualifications are usually to postgraduate level, preferably with an interest in industrial organisation. We are looking for consultants with a range of quantitative and analytical skills, and the ability to communicate complex economic concepts in a clear concise style.

### To apply

## Traders in Environmental Commodities

STX is a **marker leader in trading environmental commodities globally**. It was founded in 2005 and has since successfully positioned itself as a specialist in the industry, by leaning on the expertise of over 200 employees and covering a wide range of dynamic products on the global market.

Working in an **international environment** with offices based in Amsterdam, New York, Hamburg, Singapore, Lyon and Gothenburg, our various teams draw on their entrepreneurial mindset to serve our clients optimally in their own languages.

Our **goal** is to consolidate growth in existing markets while further exploring new products and emerging markets. By the very nature of our work at STX, we contribute to the reliability and professionalism of the industry, allowing us to achieve our vision of being a trusted and admired market maker.

At STX we look at Environmental Commodities as pricing in the **value of positive (green) Contribution Premiums** and **negative Pollution Costs** on any company's P&L and into the price of any product.

In markets across the globe, Environmental Commodities are traded as a result of voluntary and compulsory climate action taken by countries, states/provinces and companies.

At STX, we believe that ensuring environmental commodities markets are of utmost integrity will contribute to the decarbonization of our global economy. As a **trusted market maker, providing liquidity and market access**, we believe our day-to-day work makes a little, but essential contribution to that process.
